...MES solutions by MPDV!**

**The International Manufacturing Technology Show**

September 13-18, 2010  
McCormick Place, Chicago, IL, USA  
**Booth E-4122**

**Look inside to get free admission!  
We look forward to seeing you!**

# With our MES solutions you can...

... increase capacity utilization

... reduce energy costs

... improve on-time delivery performance

... ensure traceability and quality

... minimize stock levels

... improve labor utilization

... determine key cost-control figures

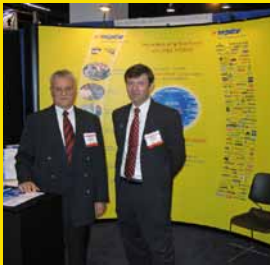

# Learn about the benefits our MES solutions provide

MPDV is the leading provider of Manufacturing Execution System (MES) solutions to over 650 leading companies of all sizes and in virtually every industry. Learn more about the versatile functions of our MES solutions by visiting us at IMTS 2010 at McCormick Place in Chicago (September 13 - 18, 2010).

**Our experience ... for your success!**

## Facts speak for themselves:

- Over **32 years** of experience providing innovative MES solutions.
- More than **185,000 people** work with our MES solutions on a daily basis.
- Over **10,000 machines and pieces of equipment** are connected to our MES.
- More than **160 companies are members of the HYDRA Users Group**, providing a lively forum for the exchange of new ideas and shared MES experiences.

Use your **complementary show invitation**, which we'll provide to you upon request, and visit us at IMTS 2010 at booth # E-4122.

Make an appointment with our **MES experts** today by using the attached fax form. We look forward to meeting you!
